

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES FOR WHOLESALE)
ELECTRIC POWER TO MEMBER COOPERATIVES)
OF EAST KENTUCKY POWER COOPERATIVE, INC.)

CASE NO. 8648

O R D E R

On December 2, 1982, East Kentucky Power Cooperative, Inc. ("East Kentucky Power"), by counsel, filed a Motion for an Enlargement of Time in which to Respond to the Commission's Information Request No. 2. In support of this motion, East Kentucky Power states that it requires one additional week in which to file responses to said Request due to the fact that responses to some questions in the Request will require extensive work by East Kentucky Power's staff personnel, many of whom are still involved in the final phases of the refinancing of pollution control facilities for its Spurlock Station Unit 2. East Kentucky Power further states that the granting of its requested additional week in which to respond will not disrupt the schedule set in this case by the Commission, in its Order of October 15, 1982, since the Request was received one week in advance of its due date.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that said Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 7th day of December, 1982.
